### **Safe Harbor Note**

This release may contain certain “forward looking statements” within the meaning of federal securities laws including, but not limited to the Private Securities Litigation Reform Act of 1995. These statements involve known and unknown risks, uncertainties, and other factors, many of which are beyond the control of Winmill & Co., which may cause the Company’s actual results to be materially different from those expressed or implied by such statements. The Company may also make additional forward looking statements from time to time. All such subsequent forward looking statements, whether written or oral, by the Company or on its behalf, are also expressly qualified by these cautionary statements. Investors should carefully consider the risks, uncertainties, and other factors at [www.winmillco.com/cautionary-language.html](http://www.winmillco.com/cautionary-language.html), together with the information included in the Company’s Annual Report, and similar information. All forward looking statements made herein are only made as of the date of this release, and the Company undertakes no obligation to publicly update such forward looking statements to reflect subsequent events or circumstances.

The Company views book value per share, a non-GAAP financial measure, as an important indicator of financial performance. Presented in conjunction with other financial information, the combined presentation can enhance an investor's understanding of the Company's underlying financial condition and results from operations. The definition of book value as presented in this press release is shareholders’ equity divided by currently issued and outstanding shares.
